

INTEGRATED QUALITY, ENVIRONMENT, CHAIN OF CUSTODY AND OCCUPATIONAL SAFETY AND HEALTH POLICY

WE ARE ALL L'ANTIC COLONIAL

Mission:

- To inspire ourselves in the imperfection of nature to make the perfect product.
- To beautify the home of our clients.
- To focus our creative process on bringing warmth, design, and luxury to the world.
- To travel the world in search of new products and innovations.

Vision:

- To be the company that most inspires others by creating trend and design.
- To be the model company to follow within the Porcelanosa group.
- To create a framework allowing the development of each employee and encouraging teamwork.
- To achieve the appropriate and optimum training of our teams.
- To foster the Quality and Training of our suppliers.

Values:

- To promote the professional development of our team.
- Dedication to give a warm service to our customers.
- To respect our mother earth, based on what is established in the ISO 9001, ISO 14001, ISO 18001 and the FSC and PEFC certification systems, as well as our commitment with the fulfillment of the applicable legal requirements and the internal quality, environmental and S.S.T. procedures in force.
- To always seek excellence in quality and service, committed to the ongoing improvement of our integrated management system, which serves as a framework for setting and reviewing our objectives.
- Provide safe and healthy working conditions for the prevention of injuries and work-related health impairment, as well as the reduction of property damage and absenteeism.
- To do everything possible to eliminate hazards and reduce risks.
- To comply with Chapter V "Consultation and Participation of workers" of the Law on Prevention of Occupational Risks, for the active participation of workers in the prevention of occupational risks.

Accomplishing this challenge will only be possible with your dedication and commitment. If we are all L'Antic Colonial, we must take it together to the top of success.
